

KEITH FOREVER

HOLIDAY '23 COLLECTION

Cold-weather craft meets unexpected colors, patterns, and '90s throwback graphics. Holiday 23 throws out seasonal convention and redefines winter wardrobe staples by leaning into contrasting color palettes, unique graphic placements, and revitalized HUF heritage.

A mix of staple outerwear pieces, seasonal knits, updated HUF Set pieces, and staple accessories, Holiday 23 puts an emphasis on eclectic patterns, graphic nods, and materials. Vintage, modern, collegiate, Y2K, and classic aesthetics converge in a collection that redefines winter apparel by breaking conventions, blurring lines, and mixing genres.
